Resolution 10-09

A RESOLUTION AUTHORIZING THE INSTALLATION OF A “CROSSWALK” AND THE RELOCATION OF A “STOP SIGN” AT THE INTERSECTION OF FILBERT AVENUE AND DOVER AVENUE.

WHEREAS, the Mayor and Council have been made aware that a traffic safety situation exists which creates a high risk that an accident could occur; and

WHEREAS, the Elsmere Bureau of Police have surveyed the area and determined that the most effective manner of reducing the potential that an accident could occur would be to install a “Crosswalk” and re-locate the existing “Stop Sing” at this location.

NOW THEREFORE, BE IT RESOLVED BY THE MAYOR AND COUNCIL OF THE TOWN OF ELSMERE AS FOLLOWS:

1. That the “Stop Sign” currently located on the south side of Dover Avenue where it intersects with Filbert Avenue be removed and relocated to the north side of the roadway which exits the Fairgrounds Park and intersects with Filbert Avenue.
2. That a “Crosswalk” be installed at the end of Filbert Avenue just prior to its intersection with Dover Avenue. The “Crosswalk” shall designate the point where pedestrians are required to cross Filbert Avenue and is to connect the east and west curb lines of Filbert Avenue at this location.
3. In addition to the “Crosswalk” being painted upon the roadway there shall be two DelDOT R1-6 “Yield to Pedestrian” signs installed one on the east and one on the west side of Filbert Avenue at the “Crosswalk”.
4. The Public Works Department is directed to consult with the Public Safety Department and coordinate installation of the signs and “Crosswalk” as soon as possible.

**RESOLVED BY THE MAYOR AND COUNCIL OF THE TOWN OF ELSMERE
ON THIS 13th DAY OF MAY, 2010.**

Deborah A. Norkavage, Mayor

Joann I. Personti, Secretary

Synopsis
